Minnesota Pollution Control Agency

July 31, 1990

William K. Reilly, Administrator
U.S. Environmental Protection Agency
401 M. Street SW
Washington, D.C. 20460

Dear Mr. Reilly,

The purpose of this letter is to request the U.S. Environmental Protection Agency look into, as quickly as possible, "HITEC 3000". This is an additive product made by the Ethyl Corporation.

Our interest in this is finding economical and efficient alternatives that work toward reducing auto air pollutant emissions.

Sincerely,

Mark Jacobs
Regional Director
